An incredibly great book with perfect and lucid answers. Better than never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).

Written in the humorous, gross style of the 2:52 line, designed to ignite the interest of boys. Bible Freaks and Geeks---This book helps boys to grow smarter, stronger, deeper, and cooler by showing them how hurtful name-calling can be. In a fun, engaging format, the book highlights biblical examples of machos, jocks, goons, wonks, slackers, airheads, and more. Through the biblical examples of characters who some would likely classify in these terms today, we learn what kind of people God has used throughout history to accomplish his plans. In Bible Freaks and Geeks we also discover that not only are people wrongfully labeled today by such general and unkind terms, but that even in ancient times, humans exhibited the same traits that we see today. Readers will learn more about the characters in the Bible, and also how to discern between descriptive labels and harmful stereotypes. Seriously Sick Bible Stuff---This book gives boys the lowdown on what living in ancient Israel was really like. In fun and engaging 2:52 style, it offers humorous, gross facts about day-to-day life in Bible times, shattering any illusions boys may have about how much easier things would have been if they had lived during Jesus' day. This book exposes boys to the truth: sleeping next to goats (and cleaning up after them in the morning!), eating food that was spiced because it was spoiled, drinking water that was probably unsafe, and using bathroom accommodations that made outhouses look good. Not to mention the tough, boring work kids had to do! Seriously Sick Bible Stuff helps boys understand the people of Jesus' time---making them grateful for the life God has given...
