El barco de los errantes

By Antoni Oliver

JUVENTUD, 2007. Book Condition: Nuevo. Tres personajes con vidas e historias distintas forman parte de la tripulación de un barco que esconde un secreto. Poco a poco, los protagonistas descubrirán que no son otra cosa que cebo para los tiburones cuando el barco haya acabado su misión. Un médico, un viejo cartógrafo y un niño criado en una ermita tendrán que hacer frente a un entramado de confabulaciones para poder regresar vivos a su Mediterráneo. El barco de los errantes es una novela de intriga dentro del mar y, sobre todo, es una referencia histórica de una época muy especial del comercio español y catalán con América, a través de unos personajes ficticios y una historia inventada dentro del marco histórico del siglo XVIII.
