

Formal Properties as the Basis for Value in Music

Filesize: 1.05 MB

Reviews

Comprehensive information for publication enthusiasts. It is rally exciting throgh reading through time. I am happy to tell you that here is the greatest book i have got read through in my personal existence and can be he best ebook for possibly.

(Reese Morissette)

FORMAL PROPERTIES AS THE BASIS FOR VALUE IN MUSIC

GRIN Verlag Jul 2014, 2014. sonst. Bücher. Book Condition: Neu. 211x150x4 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2013 in the subject Musicology, grade: 100.00%, Pepperdine University (Seaver College), course: Philosophy of Aesthetics, language: English, comment: Selected for publication in Pepperdine's departmental journal: 'Global Tides: Seaver Journal of Arts and Sciences' , abstract: This paper defends the thesis that value in a piece of music is based in its formal properties rather than its non-formal properties. Two arguments are presented to support this conclusion. The first argument shows that if value in music is to be objective, then it must be grounded in a piece's formal properties rather than its non-formal properties. In the second argument, a number of alternate possibilities for grounding value in music are considered and shown to miss the mark or be inadequate. Finally, a number of possible objections against the arguments and conclusion are considered and possible responses to them given. 16 pp. Englisch.
