Accountability Office, 2009 OCLC Number: (OCoLC)549459881 Subject: Research and development tax credit -- United States. Excerpt: . . . 1. All members of the same controlled group of corporations shall be treated as a single taxpayer, 6 and 2. The credit ( if any ) allowable under this section to each such member shall be its proportionate share of the qualified research expenses and basic research payments giving rise to the credit. Congress directed that Treasury regulations drafted to implement these aggregation rules be consistent with these stated principles. As discussed in a later section, some tax practitioners say that Treasurys regulations on this issue are unnecessarily burdensome. One of the key measures that we will use to compare credit designs is the The Marginal Incentive marginal effective rate ( MER ) of the credit, which quantifies the incentive Provided by the Research that a credit provides to marginal spending and which can be simply stated Tax Credit as MER change in the credit benefit marginal qualified research expenses ( QREs ) The MER is the same...
