The legacy that we pass onto our children is like a harvest we reap after we sow into their lives. How do we know what things are most important to teach our children? How do we know what things will truly matter or make a difference? I believe that the answers to these questions are all found in Scripture. God has not left us to parent alone; instead He has left us His truths to guide us as parents. In this book, I specifically look at what God says our harvest needs to be: the Fruit of the Spirit. As we work on creating a harvest in our own lives, we pass on an incredible legacy to our children. This legacy has the power to change the world.
