Brand New Book ***** Print on Demand *****.The world population will be soon reaching more than 10 billion. Capitalist economic system, while a paradise for 1 of the world population, is a living hell for the majority of mankind, unable to give them jobs and the basics of life. The governmentally owned, and run economies, such as the ex Soviet Union, Eastern European Countries, China, North Korea, North Vietnam, Cuba, falsely impersonating themselves a Marxist Socialism, while providing some social services to the general population, betrayed the hope of admirers, and fell with disagree, one after another, proved incapable of emancipating the producing class from wage slavery, impoverishment, and establishment of self-management. In those countries, the bureaucracy became a new class, ruling over every aspect of those countries, deservedly receiving the name totalitarian regimes. True Marxist socialism meant all industrial and high-tech producers, collectively managing the production facilities, without governments. True Marxist Socialism and any kind of governments don t go together. Just as a beautiful human female and a horse don t form a nice couple, each would have to find its own kind. A new ruling class came into being, considering themselves as the representatives of the producing class, just, as in a capitalist society, the ruling class claims to be the representatives of the people. Both representatives of these two economic systems are great shameless imposters. It would be corrector to nominate themselves as parasites, living off the producing class. Producers of all countries do not need representatives. They must take charge of their own lives, and start managing and producing for themselves, as opposed to producing for other social classes. Therefore, I am introducing the concept of alternative...
