That was possible for me to embark upon while studying an article, by Dr. Elnaby; he published his discovery of a Quran s verse, that contains the parameters that provide Physicists with the exact numbers that aid in calculating the speed of light value, along with the complete calculations. I am the first person who validates Dr. Elnaby s discovery by examining the boundaries of today s best institutions of Physics who standardize the results of their measurements throughout the world; I used the speed of light values published by The British National Physical Laboratory and The US National Bureau of Standards to investigate the range of accuracy, between these values and the fixated value, at...
