The number one romance novelist didn't become one by accident, it was by circumstance. When she receives a mysterious letter from her lost love, Mello, whom she assumed was dead, she immediately becomes anxious. Seventy-four-year-old June Summers begins to rewind the movie reel in her mind, while reflecting on their stormy relationship that spanned over fifty years. She has a huge decision to make. After all, Mello broke her heart and destroyed her trust in men. It was that pain that fueled her passion for writing. What is the number one romance novelist to do? Only time will tell and that time is quickly running out! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
