Supply chain management provides valuable insight and assistance by providing organization s information identifying core competencies and competitive advantages. When used to develop a strategic plan supply chain management can identify areas of improvement resulting in improved processes and increased profitability through cost reductions and improved customer responsiveness. Coca Cola began as a small organization with a limited supply chain in a small local market. However, as Coca Cola grew and expanded, its supply chain grew with it. This paper discusses Coca Cola s supply chain changes throughout its life cycle from traditional mass merchandising, inventory management and cost containment, supplier and customer alliances, relationship formation, and the future capabilities of its supply chain. 12 pp. Englisch.
