Maybe you don't realize it, but in the next few moments you're going to learn how to take control of the pain and discomfort you've been experiencing for such a long time. You know the uncomfortable burning sensation in your chest. The fear of eating a decent meal, and the inconvenience of having to always have antacids with you. In his book Robert offers you a proven step-by-step approach to gradually decrease the need for antacids, while safely eliminating the causes of acid reflux and so ensuring relief. In this book you'll: Find out how to check if what you're experiencing is acid reflux, or something more serious. Uncover what factors are responsible for your GERD Discover little-known symptoms of acid reflux (these might surprise you) It's a fact that not only adults suffer from acid reflux, but children and even infants too. What if your child or a child you deeply care about suffers from this painful condition? This is your opportunity to gain the knowledge that could make a difference. You'll learn: How acid reflux can turn deadly, and the steps you can take to prevent this Serious and debilitating complications you should know about How using conventional treatments could be putting you at risk for more threatening health conditions You probably already know that conventional treatment only serves to mask the symptoms; and in this book you'll discover how you have more control over your well-being than just popping a pill. Instead of masking your symptoms, rather uncover the true causes. The further on you read, you'll begin to understand how essential it...
