

The Art of Seamanship: Evolving Skills, Exploring Oceans, and Handling Wind, Waves, and Weather (Hardback)

By Ralph Naranjo

International Marine Publishing Co, United States, 2014. Hardback. Book Condition: New. 251 x 201 mm. Language: English . Brand New Book. Wind, waves, weather, and water demand the practiced art of seamanship. Planning and reacting to the unanticipated are the flip sides of seamanship. This blending of pre-voyage preparedness with effective on-the-water response is learned rather than inherent - together they define the art of seamanship. (Author Ralph Naranjo). Each time a sailboat casts off its docklines the sailor enters a marine realm that demands knowledge, preparedness, vigilance, and cool headedness - these qualities are the foundation of good seamanship. Both an art as well as a science, seamanship is also the mastery of numerous practical details, from the best choice of line for a jib sheet to an accurate assessment of the passage of a deep low-pressure system. Around-the-world sailor Ralph Naranjo - technical expert, ocean racer, former Vanderstar Chair at the U.S. Naval Academy - delivers a priceless reference for anything that comes up while on the water, sharing all the knowledge today's sailors need to hand, reef, and steer - an enduring reference to the collective skills of the bluewater sailor. Naranjo's vast knowledge is...
