Reviews

An exceptional ebook along with the typeface utilized was fascinating to read through. I am quite late in start reading this one, but better then never. You are going to like the way the blogger write this publication.

Theatre Communications Group. Paperback / softback. Book Condition: new. BRAND NEW, The Flu Season and Other Plays, Will Eno, "Will Eno is one of the finest younger playwrights I have come across in a number of years. His work is inventive, disciplined and, at the same time, wild and evocative. His ear is splendid and his mind is agile."-Edward Albee "An original, a maverick wordsmith whose weird, wry dramas gurgle with the grim humor and pain of life. Eno specializes in the connections of the unconnected, the apologetic murmurings of the disengaged."-Guardian Winner of the 2004 Oppenheimer Award for best New York debut by an American playwright, The Flu Season is a reluctant love story, in spite of itself. Set in a hospital and a theater, it is a play that revels in ambivalence and derives a flailing energy from its doubts whether a love story is ever really a love story. Will Eno has been called "a Samuel Beckett for the Jon Stewart generation" (The New York Times)-he is a playwright with an extraordinary voice and a singular theatrical vision. Also included in this volume are Tragedy: A Tragedy and Intermission.
