It seems that ever since Mother Eve got notice to leave, moving has meant a domestic cyclone. This is what I said to the family, as I surveyed our household penates done up in big box, little box, bandbox, bundle, to say nothing of crates, barrels, bales and baskets; but the family were too busy to pay any attention to me. They fail to appreciate the appalling fact that I shall have to locate all my books on new shelves. When, anon, I go to the fourth shelf, fifth book from the north side, to get The Scarlet Letter, it will be to find Pearson on the Creed or Jevons s Logic in that identical spot. It means a moving of all my mental images - a changing of my geography, so to say. What a lot of knowledge runs to waste in the world!
