New Directions Publishing Corporation, United States, 1970. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book. The Doctor and the Devils is the scenario for a feature-length film. This tale of murder is based on the famous case of the Scottish body-snatchers Burke and Hare, who thrilled newspaper readers in the mid-nineteenth century and whose crimes are still relished among homicide buffs today. Giving full reign to the macabre, Thomas created characters and an atmosphere worthy of his best short stories. There are also other Thomas scripts: his unfinished screen adaptation of Maurice O Sullivan s autobiographical memoir *Twenty Years A-Coming*, with a synopsis of Thomas s probable approach to its completion; a short radio play, produced by the BBC in 1946 and directly related to the later *Under Milk Wood*; with an essay in which Ralph Maud traces the textual relationship; and a group of captions in verse for photographs in the British magazine *Lilliput*.
