HarperCollins, United States, 2011. Paperback. Book Condition: New. Reprint. 202 x 134 mm. Language: English . Brand New Book. When The Wapshot Chronicle was published in 1957, John Cheever was already recognized as a writer of superb short stories. But The Wapshot Chronicle, which won the 1958 National Book Award, established him as a major novelist. Based in part on Cheever's adolescence in New England, the novel follows the destinies of the impecunious and wildly eccentric Wapshots of St. Botolphs, a quintessential Massachusetts fishing village. Here are the stories of Captain Leander Wapshot, venerable sea dog and would-be suicide; of his licentious older son, Moses; and of Moses adoring and errant younger brother, Coverly. Tragic and funny, ribald and splendidly picaresque, The Wapshot Chronicle is a family narrative in the tradition of Trollope, Dickens, and Henry James.
