Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Large Print. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Anyone can become wealthy that is willing to follow the basic principles of industry and frugality; the two main pillars that stand the frame of prosperity. This is the core message of Growing Money Trees. In the series of What I Want My Child To Know, this book is the third. It comes in six reader-friendly chapters. Each chapter begins with a key message; a success principle you need to know, then the steps you must take, and finally, a call to action. Chapter one deals with the fundamental law of sowing and reaping, the natural way to generate the abundance seed; the so called start-up capital; how to plant it, nurture it, protect it, until it grows to become the fortune you always desire. Chapter two gives you the basic mindset of all wealthy people; the thought pattern that attracts prosperity and opulence. It shows how greatness is attained and sustained, and the fact that you carry the capacity to become a legend in whatever career you pursue. It explains and illustrates the pathway to greatness. Chapter three, the Miracle of Imagination, describes how you can form the mental model, the vision and conception of the kind of life you truly want. It shows the pain-free way to matriculate from poverty to prosperity. Chapter four tells you how the forest is made up of many trees, and that, to become wealthy in the class of a billionaire, like the forest with a single tree, a single line of business is not adequate. It shows you how to start with one business, make it thrive without you, and then, you get the way...
