She is single, young, energetic, exquisitely beautiful and in love with Samir - a bright and serious graduate student working for a doctoral degree in Astronomy and also the President of the Student Union. Samir is peculiarly intellectual, rational and emotional. A unique feature Lily institutes at the University is that of "Sunday Evening Forum" presenting cultural programs, lectures and debates on optional subjects. Professor Henry Watson, a world-renowned authority on genomics, agrees to address the Forum on the much-sensationalized issue of human genetic engineering. Some find Dr. Watson's research on human cloning anti-God and Dr. Watson is blown off in suicide bombing. The suspects are indicted and a sensational trial held. Outraged at the culture of violence Lily runs for election to the legislature vowing to have a bill passed against public sale, possession and use of all kind of firearms. Lily wins the election but big money lobby defeats her legislation. Lily resigns and embarks upon a "Recall Campaign" against the turncoat politicians. But then.
