One of the dogmas of humankind is that the Quran is quoted or borrowed from the Bible. This creed is established upon studies of articles of many prejudiced intellectual scholars this is the tenth book in the series Science vs. Bible vs. Quran In this series of books (1-10), it is obvious that: 1) The Bible contradicts the Sciences in many aspects. 2) The Quran preceded the sciences in many aspects. 3) The Quran is quite different from the Bible in respect to the meanings of the verses that talk about a specific topic. In the present topic of the Spider, the smart reader will answer easily this fake dogmatic question: Is the Quran quoted from the Bible? The Quran says, The female spider is the one mainly undertaking the building of the house, The spider s house, from the physical and spiritual point of view, is the weakest house of all and The weakness is in the spider s house and not the threads Now, the smart reader can easily answer this dogmatic question:...
