By Brent W Knapp

Perfect Score Software, Incorporation, United States, 2010. Paperback. Book Condition: New. 188 x 130 mm. Language: English . Brand New Book ***** Print on Demand *****.Our CLEP Introductory Sociology courseware includes a detailed 200 page review book and a software testing program with over 350 questions to prepare for the exam. We have crammed more information into our courseware than any other publisher. With our software you can take hundreds of sample exams and never take the same exam twice. Our advanced software creates the closest experience to the actual exam. Our software features timed tests, instant scoring, handy mark-and-return function, pause function, and more. The Introductory Sociology examination is designed to assess an individual's knowledge of the material typically presented in a one-semester introductory sociology course at most colleges and universities. The examination emphasizes basic facts and concepts as well as general theoretical approaches used by sociologists. Highly specialized knowledge of the subject and the methodology of the discipline is not required or measured by the test content.
