Angel Whisperer Francesca Brown has been communicating with the angels since they first came into her life during a time of grave illness, and guided her back to health. In her new book The Voices of Angels, Francesca draws us once again into the angelic realm, sharing her amazing personal journey to becoming one of Europe s best-known angel channelers. Here she focuses on the insights of the angels with whom she communicates daily, most especially with Ann, her ever-present and trusted angel companion. These earthly messages from the heavenly realm concern all aspects of our daily lives: love, career, dealing with our problems and, importantly, how to connect with our own guardian angels to find our true path. Complete with a host of remarkable true stories of angel experiences and manifestations, The Voices of Angels is a book for our time, gently guiding us back to basic principles of love and inner-wellbeing, - sharing all we need to know to live our best lives.
