

Artie - Bomber Command Legend

Filesize: 9.48 MB

Reviews

A must buy book if you need to adding benefit. It can be rally interesting through looking at period of time. Its been designed in an remarkably simple way and it is only after i finished reading this publication by which in fact altered me, modify the way i believe.

(Ms. Julie Huels)

ARTIE - BOMBER COMMAND LEGEND

Fighting High Ltd. Hardback. Book Condition: new. BRAND NEW, Artie - Bomber Command Legend, Vincent Ashworth, The story of RAF Bomber Command during the Second World War has been told many times, but rarely has it been painted as vividly as this accounting of Artie Ashworth's experiences. The strain of flying over the most heavily defended cities in the world, night after night for years, will be obvious to any reader. Artie Ashworth's story is one of extraordinary bravery and sacrifice set within the greatest air battle of all time. Artie Ashworth served two tours with No. 75 (New Zealand) Squadron, and in between he flew a tour with No. 38 and then No. 216 Squadron, first in Malta and then in the Middle East. Subsequently he was posted to the newly formed Path Finder Force HQ, playing a prominent role in designing the early Pathfinder tactics. He became one of the few Bomber Command war time pilots to have flown his damaged Wellington bomber back to England single-handed, having ordered his crew to bail out of their blazing aircraft. Seconded to the RNZAF in the Pacific, Artie flew Corsairs with 17F Squadron. Returning to the UK in late 1944 he was posted to No. 635 Squadron (Pathfinders). Somehow Artie survived 110 operations over enemy territory and in recognition was awarded four decorations for bravery, the DSO, DFC twice, and MID. After the war Artie served with Nos 139 and 59 Squadrons and B Squadron of the V-Bomber force, awarded the AFC for his work as a test pilot and a second AFC for distinguished service in command of No. 139 (Jamaica) Squadron. Vincent Ashworth pieces together the compelling story of one of the most distinguished pilots to fly operational bombers during the Second World War. Utilising his older brother's...
