By Robin Bade, Michael Parkin

Pearson Education Limited, United Kingdom, 2014. Paperback. Book Condition: New. 7th edition. 276 x 216 mm. Language: N/A. Brand New Book. For Principles of Microeconomics courses at two- and four-year colleges and universities A practice-oriented learning system that breaks the traditional textbook mold To help students focus on the most important concepts-and effectively practice application of those concepts-Foundations of Microeconomics is structured around a Checklist/Checkpoint system. The result is a patient, confidence-building program that prepares students to use economics in their everyday lives, regardless of what their future career will be. This program provides a better teaching and learning experience-for you and your students. It will help you to: * Personalize learning with MyEconLab: This online homework, tutorial, and assessment program engages students in learning and provides instructors tools to keep students on track. * Encourage students to learn by doing: A Checklist/Checkpoint system provides a practice-oriented framework that enables active learning. * Command student attention and foster interest in the course: Engaging features draw students into the material, and keep them focused throughout the course. * Provide engaging, fully updated content: New and updated material on contemporary topics better motivates students to discover the economic way of thinking.
