

# Encyclopedia of Electronic Components Volume 1: Resistors, Capacitors, Inductors, Switches, Encoders, Relays, Transistors

By Charles Platt

Maker Media, Inc. Paperback. Book Condition: New. Paperback. 296 pages. Dimensions: 9.7in. x 8.0in. x 0.6in. Want to know how to use an electronic component? This first book of a three-volume set includes key information on electronics parts for your projects complete with photographs, schematics, and diagrams. You'll learn what each one does, how it works, why it's useful, and what variants exist. No matter how much you know about electronics, you'll find fascinating details you've never come across before. Convenient, concise, well-organized, and precise. Perfect for teachers, hobbyists, engineers, and students of all ages, this reference puts reliable, fact-checked information right at your fingertips whether you're refreshing your memory or exploring a component for the first time. Beginners will quickly grasp important concepts, and more experienced users will find the specific details their projects require. Unique: the first and only encyclopedia set on electronic components, distilled into three separate volumes. Incredibly detailed: includes information distilled from hundreds of sources. Easy to browse: parts are clearly organized by component type. Authoritative: fact-checked by expert advisors to ensure that the information is both current and accurate. Reliable: a more consistent source of information than online sources, product datasheets, and manufacturers' tutorials. Instructive: each component description provides details about substitutions. common...

## Reviews

*This is an awesome publication I have at any time read. Of course, it is playful, still an interesting and amazing literature. You will like just how the author writes this book.*

-- Prof. Herta Mann

*The ebook is straightforward to read, easier to recognize. It is actually written in basic phrases and not difficult to understand. You can expect to like just how the author composes this book.*

-- Camilla Kub
